

The Butterfly Effect Part 10

From nothing into something they had now joined together as one, their journey cross the lands and all their searching was all done. Everything that they had learned and everything that they had seen, was joined together harmoniously and made the world serene.

The Butterfly Effect Postlude

Their purpose was to combine: the past, present, future and to unite, and in this time of need help people put down their swords and end the fight. To open up all minds and through creativity give something no one would expect? And that dear friends was the purpose and meaning of The Butterfly Effect.
