Pattern Notes

- Keep in mind that what yarn fiber you choose will affect the give to your headband, make it a bit smaller than your head to make sure it doesn't stretch too much during long term wear
- This pattern is highly adaptable, you can make it larger or smaller by simply adapting the number of hdc rows of it (rnd 18-46), try it as you go to make sure it fits you properly
- The finished size of the head band is 4,5 cm wide and 42 cm long unblocked and without the hair tie, with it approximately 45 cm long unstretched

With the long yarn tail; sew your headband on to the hair tie using over hand stitches. Make two in each stitch and then fasten off the ends on the backside.
