The Island Stroll CAL

WEEK 3 & 6. THE THUMBELINA SQUARE
THE PILLOW VERSION

SistersInStitch

Yarn and Colors

Designed by Therese Eghult

About The Design

Welcome to the sixth week of the Island Stroll CAL! It's time to make three more of the adorable Thumbelina Squares.

"She is an absolute cutie and once you get the hang of its petals and leaves turning; Thumbelina will be a quick breeze to work up. It's gonna be so much fun!"

You are still making the same pattern as for the blanket, the only thing that differs is the color used for round 13. For the pillow I have chosen a contrasting popping color, whereas for the blanket I went with a soothing divider color that will balance it all instead.

We wish you a happy crochet time.

You Will Need

Yarn

For the pillow we have used Must-Have; a 4 ply yarn in 100% mercerised cotton with a lovely shimmer that comes in 50 grams balls with 125 meters/137 yards.

For the blanket I have used Super Must-Have; a bulky weight yarn in 100% mercerised cotton with the same lovely smooth shimmer and comes in 100 grams balls with 115 meters/125 yards.

Tools

A 3 mm crochet hook for the pillow or a 6mm for the blanket

A darning needle

A pair of scissors

Measurements

The Thumbelina square will measure 13 cm x 13 cm unblocked in Must-Have, and 23 cm x 23 cm unblocked in Super Must-Have.

The finished pillow will fit a 50 cm x 50 cm pillow insert.

The finished blanket will measure 130 cm x 130 cm (and 160 cm on the diagonal).

Pattern Notes

All the stitches, techniques and terminology used for this pattern is found in the CAL Stitch Guide.

Your square is finished!

Closing words

Well done lovely! You have now finished the sixth part of the Island Stroll CAL and we hope you had lots of fun. If you share your progress and pieces on social media: please use our official hashtag #IslandStrollCAL cause we would absolutley love to see it.

Next week we will continue on with part seven: the A Little Something Square. This oh so sweet design that was inspired by the blossoming spring flowers called Wood- and Blue Anemone, or Vit- and Blåsippa as they are called in Swedish. Absolutley adorvable.

Until then..
