The Island Stroll CAL

WEEK 7. THE A LITTLE SOMETHING SQUARE

SistersInStitch

Yarn and Colors

Designed by Therese Eghult

A decorative white floral illustration in the bottom right corner of the page, featuring a large flower with long, flowing petals and a smaller flower above it.

About The Design

We have arrived at our eight part and the very last square off the Island Stroll CAL.

This oh so sweet design that is the A Little Something Square is inspired by the blossoming spring flowers called Wood- and Blue Anemone. Or Vit- and Blåsippa as they are called in Swedish. They always bring so much happiness and are an absolute favorite in our home so I gave them four heart shaped sets of popcorns framed by the gentle moss beds they grow on. With their delicate white or blue petals they are the first florals of the year to pop up in the forest and sing of the spring that is to come.

We wish you a sweet and calm crochet time.

Closing words

Well done lovely! You have now finished not only part seven but all of the squares that we are making for our Island Stroll CAL Blankets and Pillows. We hope you've had lots of fun and enjoyed making them all.

If you share your progress and pieces on social media: please use our official hashtag #IslandStrollCAL cause we would absolutely love to see it.

Next week we will continue on with part eight and begin transforming the five large squares into stunning octagons. It's gonna be amazing!

Until then..
