WEEK 11. THE BORDER: PART 2
THE BLANKET VERSION

About The Design

The final week has arrived and I'm trying to wrap my head on how quickly these past weeks, and months, have passed. What began as a simple granny square blanket idea three years ago is now ending as a stunning organically shaped blanket and amazingly textured pillow, both equally beautiful and loved.

Thank you so much for being part of our Island Stroll CAL. We hope you have had lots of fun and will enjoy these calming last rounds of your blanket border that invites you to contemplate and reminiscent about the journey that we have been on for the past ten weeks together.

We wish you a happy crochet time.
