Notes

- Work in continuous rounds unless the pattern does not state otherwise, mark the first st of each round with a stitch marker.

- Tip. Keep a long starting tail (10 cm or such) so that you may use it to sew shut any gaps that may occur whilst working in the starting ch 8 in round 2.

- Bobble note! For round 2, 4 and 6: Push the bobbles to the front with your finger before finishing the following sc and then keep those sc tight to lock the bobble in place.

- Keep working in your ends as you switch colors! It's tricky to do it once it's finished.

_____

To begin (color A): ch 10, 1 tch + turn (10 ch).

Round 1: 2 sc in 2nd st from hook, 1 sc in the next 8 sts, 3 sc in the next st (which makes you turn to the other side of the chains), 1 sc in the next 8 sts, 1 sc in the same space as the first 2 sc of the round (22 sc).

Round 2: *1 sc in the next st, 1 bobble in the next st; rep from * til end (11 sc, 11 bobbles).

Round 3: 1 sc in the next 22 sts, fo (22 sc).

Round 4 (color B), begin in the second sc of rnd 3: *1 sc in the next st, 1 bobble in the next st; rep from * til end, fo (11 sc, 11 bobbles).

Round 6: *1 sc in the next st, 1 bobble in the next st; rep from * til end (11 sc, 11 bobbles).

You should now be able to press the two long sides (the back and front) of your pouch together flat and have your last st of rnd 10 be placed at the left corner of it. If not, keep making sc til your reach it as we are about to begin the lid section.

Remember to mark the first sts of rnd 11.
